ARRESTED DEVELOPMENT

G71956

# PREFATORY NOTE

The following list includes journals in the field of military medicine and official annual reports of armed forces medical services. Military serials of the research report type have not been listed.

The date and volume cited indicates the latest holdings for the title in the National Library of Medicine at the time of checking.

Occasionally a note has been added citing an article relating to the history of the journal listed or the history of military medical periodicals in a given country.

CHARLES ROOS

## INTERNATIONAL

1. Bulletin international des services de santé des armées de terre, de mer et l'air. (Brussels). 1956, vol. 29. (Organe du Comité international de médecine et de pharmacie militaires).
